Reduction in School Fees Payable

Dear Parents/Guardians,

Greetings of the festive season as we struggle with the COVID-19 pandemic, while trying to return to our lives to new normal. RNS has always strived to serve its students and parent community, thus we rise to surmount the lockdown by commencing with online classes so that our students do not suffer academically. I congratulate every member of parents and staff community for the success of online teaching and assessments. This not only required infrastructural expenses but has also been a learning process for our teaching staff and students.
