

NATIONAL SPACE DAY: AUGUST 23

India is celebrating its first-ever National Space Day on August 23, themed as *“Touching Lives While Touching the Moon: India's Space Saga”*.

To celebrate this event Edudigm has organised a global quiz contest.

So children, are you all ready to challenge your brain? Join the quiz and you could walk away with awesome prizes!

Click on the link below to participate in the quiz and grab your chance at amazing prizes!

Edudigm Global Space Quiz
